-------------------------------------	---

1. Compound properties in XSLFO

Property type	Section	Inherited	'inherit'
<length-range>			
minimum			
optimum			
maximum			
block-progression-dimension	7.14.1	no	yes
inline-progression-dimension	7.14.5	no	yes
leader-length	7.21.4	yes	yes
<length-conditional>			
length			
conditionality			
border-after-width	7.7.12	no	yes
border-before-width	7.7.9	no	yes
border-end-width	7.7.18	no	yes
border-start-width	7.7.15	no	yes
padding-after	7.7.32	no	yes
padding-before	7.7.31	no	yes
padding-end	7.7.34	no	yes
padding-start	7.7.33	no	yes
<length-bp-ip-direction>			
block-progression-direction			
inline-progression-direction			
border-separation	7.26.5	yes	yes
<space>			
minimum			
optimum			

Compound properties

maximum precedence conditionality			
letter-spacing	7.16.2	yes	yes
line-height	7.15.4	yes	yes
space-after	7.10.6	no	yes
space-before	7.10.5	no	yes
space-end	7.11.1	no	yes
space-start	7.11.2	no	yes
word-spacing	7.16.8	yes	yes
<keep> within-line within-column within-page			
keep-together	7.19.3	yes	yes
keep-with-next	7.19.4	no	yes
keep-with-previous	7.19.5	no	yes
